Miss Faith Cox

Mr. Jack Gibbs

We are guilty of many errors and many faults but our worst crime is abandoning the children, neglecting the fountain of life. Many of the things we need can wait. The child cannot. Right now is the time his bones are being formed, his blood is being formed, his blood is being made, and his senses are being developed. To him we cannot answer "Tomorrow." His name is "Today."

Gabriela Mistral  
Nobel Prize winning poet from Chile

Alma Mater  
To Vikings bold we give our love,  
Our dreams, our tributes true.  
Through life's full course  
Our hearts will move  
To bring you honor too.  
So hail to thee, O noble school:  
Stand firm and strong and right;  
And may we ever look to thee  
For strength, love, and purity.

# Class of 1982

At Day's End  
Is anybody happier because you passed his way?  
Does anyone remember that you spoke to him today?  
The day is almost over, and it's toiling time is through;  
Is there anyone to utter now a kindly word to you?  
Can you say tonight, in parting with the day that's slipping fast,  
That you helped a single brother of the many that you passed?  
Is a single heart rejoicing over what you did or said;  
Does the man whose hopes were fading, now with courage look ahead?  
Did you waste the day, or lose it? Was it well or sorely spent?  
Did you leave a trail of kindness, or a scar of discontent?  
As you close your eyes in slumber, do you think that God will say,  
"You have earned one more tomorrow by the work you did today?"

## SCA Officers

President: Jamie Hendrick

Vice-President: Beverly Robinette

Secretary: Sherri Warner

Treasurer: Catherine Porier

Chaplain: Tracy Buckles

The activities for SCA began at Homecoming and the theme for this year was "We may never pass this way again." After the parade, which was won by the senior class, the next event sponsored by the SCA was the dance. Besides the prom this is the biggest dance of the year. Later in the year the selling of buttons took place, and due to a mistake on the company's part there are still buttons to be sold. So next year buy a couple and support this association to benefit the student body. The SCA showed two movies during the year, one at Halloween and one in early spring. They were well attended and enjoyed. All in all it was a pleasant year and the best of luck is wished to Beverly Robinette, president for the upcoming year.

### *Powell Valley Band 1980-1981*

1980-81 was a very active year for the band. It proved to be a very successful year.

In August we began preparing for the fall marching season by attending East Tennessee State University for a week of band camp. Hours of practicing music and drills at camp, as well as on the band field at home, finally produced a decent show for the marching season. The competitions we entered included the Second Annual George Wyth Marching Band Festival, in Wytheville, VA, on Sept. 20, where the band received a division II, the Sixth Annual Lonesome Pine Band Festival at J. J. Kelley H.S. in Wise, VA, on Oct. 4, where the band received a division I, and the 30th Annual South-Eastern Band Festival at ETSU, in Johnson City, Tenn., on Oct. 18, where the band received a division I. Also the band returned to the Chilhowie, VA Apple Festival on Oct. 4 where we received a division II.

Our drum major, Xavier Jackson, placed consistently high at all contests. Early in the month of December we had a Christmas Concert where the band played songs of the season for the community. Also the band attended two Christmas Parades.

In the spring we gave a Spring Concert and the seniors made their last appearance as band members. Also the band held its First Annual Band Awards Banquet.

We wish to cordially thank Mrs. Marc Blanken, Mr. Tim Wendt, Mr. (Teddy-Bear) David Whitt, Ms. Yvonne Livesay, and our beloved band director Noel Collins.

We started out this year with running weekly ads in the post entitled Break Down telling about some of the events going on in our committee. Our biggest project was our annual Apple Butter Days Festival. This year, on a much larger basis, had many guests to come and entertain the visitors. They ranged from musicians, to basket weavers, to pottery makers. Also we had many winners that were awarded ribbons in contest as tobacco spitting, pie eating and even pig calling. Thanks to our sponsor, Mrs. Jean Short, we had a very successful and enjoyable year.

The Lucky Leif Library Club is a service organization designed to promote a better understanding and greater interest in the use of library books and other materials, to stimulate reading interests, and to assist the librarian in providing library services for faculty and students.

Its membership is determined primarily by scholastic average, personal interest, teacher recommendations, regular attendance and participation in club activities, and the student's having time available to help in the library daily.

Officers for the 1980-81 school session were Leisa Slagle — president; Rocky James — vice-president; Pam Wilson — secretary-treasurer; Tonya Barnett — reporter.

A special book exhibit on Appalachian culture was held in cooperation with Apple Butter Days in November. At Christmas, the club enjoyed a Christmas social in the library. Another special event was held in May when the members were awarded certificates, library keys, and book ends. Perhaps the highlight of the year was a personal thank you note addressed to the Lucky Leif Library Club from President Ronald Reagan in appreciation of the get-well card sent to him by members of the club in March after the assassination attempt.

It was a busy year, a good year, a rewarding year, and a fun year to remember.

The Key Club was very active this year. Members collected money at Peanut football games and parked cars, no matter what the weather, at basketball games. As a community service, they delivered Christmas baskets to needy families. Several members attended the annual Key Club convention in Knoxville where Carlo Trigiani was elected Lt. Gov. of the KY-TN District. Their major spring was slave day. They also sponsored a Sweetheart Dance. Miss Cathy Kelley was selected to be the 1981 Key Club Sweetheart. Troy Potter was chosen Key Clubber of the Year. The Key Club wishes to thank their sponsor Coach Taylor and their Kiwanis advisor Bill Mumpower for their help in making this year such a success.

The Future Homemakers of America strove to live up to their motto, "Toward New Horizons." This club is valuable in that it tried to emphasize the importance of the home in all areas of life. It was involved in several activities this year. The fall federation meeting was held at Appalachia High School while the Spring Federation meeting which featured a fashion show was held at the Vocational School in Wise. Cathy Kelley represented the club at the State FHA convention in Richmond. As a social event, a Sunday afternoon trip to Kingsport was organized. The Club wished to express a special thanks to their sponsor Mrs. Pat Porier for all of her time, effort, and patience.

### "Don't Quit"

When things go wrong, as they sometimes will,  
 When the road you're trudging seems all uphill,  
 When the funds are low and the debts are high,  
 And when you want to smile, but you have to sigh,  
 When care is pressing you down a bit —  
 Rest if you must, but don't you quit.

Life is Queer with its twists and turns,  
 As every one of us sometimes learns,  
 And many a person turns about  
 When they might have won had they stuck it out.  
 Don't give it up though the pace seems slow —  
 You may succeed with another blow.

Often the struggler has given up  
 When he might have captured the victor's cup;  
 And he learned too late  
 When the night came down  
 How close he was to the Golden Crown.

Success is failure turned inside out —  
 So stick to the fight when you're hardest hit —  
 It's When things seem worst that you mustn't quit.

## PVHS Driving Range

The latest addition to the physical plant of Powell Valley High School was the Driving Range, completed during the 1980-1981 session. With this facility it is possible to use two cars for behind-the-wheel instruction. This doubles the capacity for instruction in Driver's Education.
